

## Pooltest Test Strips

Palintest's new test strips provide a quick and easy method of estimating basic pool and spa chemistry. Simple for the occasional user, the test strips are waved gently in the pool water and then compared with a colour chart on the bottle. Palintest test strips are available in three varieties, each containing 50 strips per bottle.

### Ordering Information

PT 634 Free Chlorine, pH, Alkalinity  
PT 637 Chlorine, Bromine, pH, Alkalinity,  
Hardness, Cyanuric Acid

### Ranges

TEST	RANGE
